SCOOP - Songs from The Shed

The instrumental music of Scoop fuses Blues, Rock and Jazz in an original way. Ranging from rootsy acoustic slideguitar pieces to artfully composed fusion music to fiery rock n' roll the band's debut album "Songs from The Shed" displays great versatility and musicianship while still retaining coherence and an self-assured sense of style.

All eight tracks were written by guitarist and founder Christian Reich. Backed by the powerhouse rhythm section of Sebastian Kreil (bass) and Wolfgang Maier (drums), Reich is digging deep into the Texas Blues vein with a slightly jazzy approach. Furthermore, the album features Christian Bachner on tenor saxophone and Martin Gasselsberger on keys, two of Austria's most renowned jazz musicians.
